ABOUT US

Wakanda Coffee and Grains (U) Ltd, established in 2019, is a leading provider connecting international coffee buyers with local suppliers. We specialize in green coffee sourcing, negotiation, quality control, pre-loading & loading inspections, export documentation, and logistics.

With 15+ years of industry experience, our directors maintain strong relationships with coffee processors and exporters across East Africa, ensuring the best offers and top-tier service for our clients.

OBJECTIVE

Wakanda Coffee and Grains aspires to deliver quality service based on trust and professionalism in green coffee in the east African Region.

OUR VISION

To provide high quality coffee to our buyers while financially capacitating small holder coffee farmers.

OUR MISION

Our mission is to bridge the gap between buyers and exporters while offering quality coffee at the best price as well as offering professional services to our clients.

OUR SERVICES

GREEN COFFEE SOURCING

Wakanda Coffee and Grains leads in green coffee sourcing, selecting the finest beans from diverse regions while ensuring quality and sustainability. We work closely with farmers to uphold high industry and environmental standards, guaranteeing ethically produced coffee with exceptional taste and aroma. By connecting roasters and retailers with premium beans, we shape a coffee industry where quality and responsibility go hand in hand.

BROKERAGE

We connect East African coffee producers with global buyers, ensuring fair, transparent, and mutually beneficial deals. With deep market expertise, we match buyers with the right producers, negotiate competitive prices, and foster long-term industry partnerships.

STOCK AUDITS

Wakanda Coffee and Grains bridges coffee producers and buyers, ensuring fair pricing, quality assurance, and transparency. Our stock audits guarantee authenticity, while our mediation fosters smooth transactions and lasting industry relationships. Committed to integrity and sustainability, we deliver excellence in every cup.

QUALITY ASSURANCE & CONTROL

Located in Kampala, we operate a state-of-the-art coffee lab with 15+ years of expertise.

We ensure compliance with export standards through rigorous pre-loading and loading inspections, random sampling, and thorough lab analysis. Samples are stored for three months to ensure quality and transparency, with sealing available upon request.

MAINTENANCE INSPECTION

We ensure your coffee processing and packaging equipment stays in peak condition.

Our skilled technicians conduct thorough assessments, identifying wear, malfunctions, and maintenance needs to prevent breakdowns, reduce downtime, and optimize performance. Designed for roasteries and distributors, we help keep your operations running smoothly and efficiently.

LOADING INSPECTION

we ensure quality and safety at every stage of the coffee trade, especially during loading.

Our inspectors oversee the process, whether at a remote farm or busy port, guaranteeing careful handling and secure delivery. With global reach and meticulous supervision, we ensure every bean arrives pristine and premium.

LOGISTICS COORDINATION

We ensure seamless logistics coordination for the global coffee trade, managing exports from order to delivery. We bridge communication gaps, handle shipping documentation, and oversee container shipments with precision.

Tailored to client needs, our commitment guarantees efficient, secure, and flawless coffee transport.

EXPORT DOCUMENT HANDLING

We simplify export documentation, ensuring a smooth transition from farm to market.

Our team handles certificates, compliance, and regulations, minimizing delays and errors. We take care of the paperwork so you can focus on producing exceptional coffee.

EXPORT ROBUSTA AND ARABICA COFFEE

We offer end-to-end solutions for sourcing, processing, and exporting premium Robusta and Arabica coffee beans. We streamline logistics, ensure quality control, and provide reliable global delivery—so businesses can focus on growth while we handle the beans.
